

For the parents, carers and school community of Pixmore Junior School

A Bit About Us

We are very fortunate to have a full Governing body at Pixmore, comprising of a good mix of very experienced governors and newer members, all of whom bring a wealth of knowledge and skills.

I took over as Chair of Governors at the beginning of term after serving as Vice Chair for a number of years. I would like to take this opportunity to thank our previous Chair, Tina Dickens, for all her hard work and dedication over the years

I would also like to welcome three new governors to the team following the recent governor elections. Sarah Parkhouse received the most votes from parents and has been elected as Parent governor, and we are extremely pleased to also welcome both Chris Burniston and Susan Haigh, who join us as Associate Governors.

At the end of the last school term we were extremely pleased to receive our second positive Ofsted result and retained our status as a good school. Moving forward the governors will continue to work with Mrs Evans and support the school as a broad and enriching curriculum is delivered to all pupils, building on the good practice and success we achieved last year

We endeavour to have a governor presence at as many school events as we are able, and enjoy playing an active part in the school community. For those of you who are new to Pixmore, I hope your child has settled in well, and we look forward to getting to know you during your time as Pixmore parents.

Kath West (Chair)

Pupil Voice Interviews

One of our favourite tasks as governors is to ask the children what they think of school. After half term we will be carrying out pupil voice interviews with small groups of children from across year 3, asking them about their transition from infant's school, how have they settled, if they are happy in their new school and if any improvements could be made for next year's process. We have worked hard on our transition policy over the years and these interviews help Pixmore and our feeder schools shape any future changes.

We carried out similar interviews at the end of last term with year 6 children who were about to move on to senior school.

Here are a few of their responses to the question, What is Pixmore?

Very creative place

Very nice place to be, great opportunity to learn

Different to other schools, warm feeling

Don't stress, help is there if needed

Really good school, you won't want to leave Pixmore, it feels safe

Encourage, supportive, fun

Parent Forum -Thursday 7th November at 9.15-10.15am

Mrs Willans and Mrs Kennedy will be hosting Parent Forum on 7th November at the Cultivo Lounge. Please do come along and join us if you can. We always aim to have a couple of governors in attendance. Agenda items include how to promote a healthy lunch box, how to create a balance on the use of computer games at home and home/school diaries as a method of communication between home and school.
